Applicant Manager Guidance Notes - Basic

Our online DBS/digital Right to Work/Media checks can be completed by accessing the internet from any device that has this facility. This includes a smart phone, tablet, laptop or PC. It is supported on the latest versions of all modern browsers; however, we do not recommend access via Internet Explorer as this browser is unsupported both by our technology and soon by Microsoft also. The software is simplistic and easy to use. You can gain access to the system within minutes.

You have been granted access to eBulkPlus in the role of an Applicant Manager. An Applicant Manager can view all applications created under the organisation or specific division they have been created under. An Applicant Manager can stipulate what ID has been seen in relation to an applicant. After an applicant's ID has been verified an Applicant Manager has the authority to approve an application for submission.

Logging onto the System

Please enter the following address into your web browser:

<https://matrixscreening.com/cheqs>

You will now be on the main login page that shows three white boxes. Please note at this stage of the process, your login details are case sensitive.

- Click on **'Application Management'**.
- Enter your company Organisation Reference - this will have been supplied to you in an automated email (**if you cannot remember this please click on the *'Forgotten your login details?'* icon at the bottom of the screen to be sent a reminder**).
- Enter your Username.
- Enter your Date of Birth (**for first initial login please ensure you enter the default date of birth 01 Jan 1998. Failure to do so will deny you access to the system**).

Screen Shot 1

- Once you have completed this section click **'Enter'**.

- Enter your password (this will be supplied to you in an automated email) – see screen shot 2 below (If you cannot remember this please click on the *'Forgotten your password?'* icon at the bottom of the screen to be sent a new one-time password).

If you have difficulty gaining access to the system, please contact our Client Relations Team on 01420558752 however please ensure the first time you login that you have not been denied access because of entering your own date of birth. **The first time you login you must enter the temporary default date of birth 01 Jan 1998.**

Screen Shot 2

- Please note, after initial login you will be required to set your own password and enter your own date of birth for future login purposes.
- Please re-enter into the **'Current Password'** field the temporary password you received in your initial e-mail and then create your own unique password (see screen shot 3 below).
- The password you create must be between 8 & 30 characters containing at least one upper case letter, one lower case letter, one special character and at least one number.
- Please then enter a date of birth of your choice for future login purposes.
- Please then click **'Update'**.

Screen Shot 3

- If you have successfully created your own password, you will now be able to enter the system by clicking the ‘**Click here to enter System**’ icon in the green box (please note you do not need to re-enter your password details once the green box has appeared).

Screen Shot 4

- This will now take you to the main eBulkPlus Home Page called the ‘**Dashboard**’ (see screen shot 5 below).

Screen Shot 5

Inviting an applicant to submit their application

You can generate an email invite to an applicant(s) inviting them to submit their application for any combination of the following checks – DBS/Disclosure Scotland check (with or without digital ID check), digital Right to Work check and Media check, all from within the eBulk dashboard. This can be done by clicking the ‘Create Invite’ button at the top of the dashboard.

You will be taken to the invitation page where you can generate your invite (screenshot 6 below).

- You will need to select the ‘Organisation’ that you wish the applicant to create their application under, you will be able to select any organisations that you are linked to. You will be able to select the types/levels of check that you require the applicant to submit from the ‘Checks Required’ tick list below.
- You are then required to enter the applicant’s forename, surname and email address into the boxes provided. If you wish to invite more than one applicant to create this specific level of check for this specific organisation you can click the ‘Add Candidate’ button as many times as required to invite multiple applicants.

Screen Shot 6

- If you need to invite a large list of individuals, you can use the ‘Bulk Upload’ feature instead allowing you to upload a spreadsheet of applicants to be invited (screenshot 7 below). If you wish to use this feature, please leave the forename, surname, and email address fields blank and instead upload a pre-created spreadsheet. A blank template is provided in the eBulk footer if required. **The spreadsheet must contain 3 columns only (Forename, Surname, Email address), any invalid data contained in the spreadsheet when uploaded will fail validation and be highlighted to you at the top of the screen.**

Screen Shot 7

- Next, you are required to select a template from the 'Email Template' drop-down field (screenshot 8 below). You will have different template choices available to you based on the checks requested as part of the invite. Selecting one of these will populate the content of the invite email on-screen for you to review and amend if required. The pre-populated wording of these templates will either be the default wording coded into our system or a bespoke template for your organisation.
- Finally, click '**Send**' to generate the invite to issue the invite to the applicant(s) entered.

Screen Shot 8

How to track/chase invitations

Step 1 - Once invitations have been generated and sent, they are stored in the system until the applicant creates their application from the invite they have received. On the Dashboard page (see screen shot 5 above), in the top box entitled **Pre-Submission**, click on **'Invitations Sent'**.

You will be able to see the invitations that have been sent, waiting for the applicant to create their application. **When an applicant has created their DBS/DS application from the invite they have received, it will move from this dashboard folder and into the 'Awaiting Verification' folder. A Right to Work application form will move from into the 'Awaiting Digital ID' folder and a Media Check application form will move into the 'Awaiting Media Check Request' folder.**

Screen Shot 9

Step 2 - Opening an invite: Click on an applicant's reference number to open their invitation (see screen shot 9 above)

Step 3 – Overview, you will now see two tabs of the invitation (see screen shots 10 & 11 below)

Screen Shot 10

Screen Shot 11

Step 4 – Invitation, to view the details entered for the invitation click the 'Invite' tab. If these details are incorrect, these can be updated by a user with the appropriate access (see screen shot 11).

Step 5 – Chasing an invitation

- If you wish to resend the invitation, please click the '**Resend**' button at the top of the page. This will resend the original invitation email to the email address detailed on the 'Invite' tab.
- Invitations will be automatically chased by the system at a default chase pattern of 3 times every 3 days unless a different chase pattern has been configured for your organisation. After the final chase, the applicant will then have a further 30 days to create their application until the invitation is automatically withdrawn by the system.
- If the invitation is no longer required, it can be withdrawn at any time using the '**Withdraw**' button at the top of the page. This will remove the invite from the '**Invitations Sent**' folder.

How to verify ID – Basic Disclosures

Step 1 – On the Dashboard page (see screen shot 5 above), in the top box entitled **Pre-Submission**, click on ‘**Awaiting Verification**’. Please note that you will be able to see the total number of application forms you have awaiting ID verification and Section Y to be completed.

The applications in this folder can be filtered using the ‘**Channel**’ and ‘**Level**’ drop-down menus from the grey toolbar. These can be used to only see DBS basic applications, or only Disclosure Scotland basic applications.

Screen Shot 12

Step 2 - Opening an application form:

Click on an applicant’s reference number to open up their application form (see screen shot 13 below)

Screen Shot 13

Step 3 – Overview, you will now see three tabs of the applicant’s completed form (see screen shots 14 & 15 below).

Step 4 – Application, to view the application details entered by the applicant, click on the ‘**Application**’ tab. Here you can see the entire application submitted by the applicant, this can be used to ensure the correct job role has been entered and to verify any ID given by the applicant in a previous surname or previous address (see screen shot 15).

Step 5 - Verifying ID

- You will notice at the top of the screen a box which highlights if the ID has been verified or not (see screen shot 14 above), with a section completion date. It will say in red **'Incomplete'** if the section has not been completed for either ID verification or Section Y. If there is a date entered it means that this action has been completed and will show the date that it was carried out on. If a digital ID check has already been requested but hasn't yet completed, it will state **'Pending Digital ID Result'**
- To complete the ID verification section, click on **'Complete ID Check'**, access to this section is located in two places – at the top of the screen or on the overview of the actual form itself. You will now be on the ID screen (see screen shot 16 below).

You will have three options for how you wish to perform the identity check. This can be carried out by using a certified identity service provider (IDSP) or by manually witnessing original documents provided to you.

Identity Check Method

You are now required to undertake an identity check to ensure the personal details entered on this application match the details held by the individual this check is being carried out against.

The identity check can either be carried out using a certified identity service provider (IDSP) or by manually witnessing original documents provided to you by the applicant.

Please select from the options below, how you wish to validate the identity of the individual this application has been completed for.

Invite the applicant to undertake a digital ID check (plus digital Right to Work check if required)
SELECT THIS OPTION IF YOU WISH TO INVITE THE APPLICANT TO UNDERGO A DIGITAL ID CHECK USING OUR CERTIFIED IDENTITY SERVICE PROVIDER (IDSP)

Complete the ID check using a digital ID check already obtained
SELECT THIS OPTION IF YOU HAVE ALREADY CARRIED OUT A DIGITAL ID CHECK THROUGH YOUR OWN PROVIDER

Complete the ID check manually using original documents provided by the applicant

Verifying identity using the eBulk digital ID integration

This facility allows for the identity verification to be performed digitally and remotely without the need for the applicant to present original documents to you to be verified. It also allows you to request a digital Right to Work check at the same time as performing the identity verification digitally.

If you didn't request a digital ID check as part of the invite created and you wish to carry out the identity check using our certified identity service provider, please select **'Invite the applicant to undertake a digital ID check (plus digital Right to Work check if required)'** (see screen shot 16 above.)

You will now be taken to the digital invite page which will automatically populate the name and email address of the applicant where present (see screen shot 17 below.) To invite the applicant to undertake just a digital ID check, please select 'Digital ID Check Only' from the 'Digital ID Check Type' drop-down list and ensure their name and email address

are populated along with selecting the email template to issue them. This will generate an email to the applicant allowing them to carry out their digital ID check via our certified IDSP.

To invite the applicant to undertake a digital ID check and a digital Right to Work Check, please select 'Right to Work + Digital ID Check' from the 'Digital ID Check Type' drop-down list and ensure their name and email address are populated along with selecting the email template to issue them. This will generate an email to the applicant allowing them to carry out their digital ID check and digital Right to Work check at the same time via our certified IDSP.

Screen Shot 17

Applicants that have been invited to do a digital ID check can be found in the 'Awaiting Digital ID' queue on the main dashboard (see screen shot 5 above.)

Once the digital ID check has been carried out, the ID section of the application will be updated with either a pass or fail result and a PDF report of the digital ID check can be downloaded by clicking the 'Download Digital ID Report' button (see screen shots 18-21 below.)

If the result of the digital ID check is 'FAIL', you must read the digital ID report to understand why and verify their identity manually depending on the reason the digital ID check failed. To do this, click the 'RESET ID CHECK' button at the bottom of the ID screen to restart the identity process, this time selecting an alternative method.

If the result of the digital ID check is 'PASS', the ID section will be auto completed upon receipt of the digital ID check result and there will be nothing further to do in relating to the identity verification part of the process.

If a digital Right to Work check was also requested, a 'RTW Check' element will be added to the header of the application and will be updated with either a pass, fail or see report result. A PDF report of the digital Right to Work check can be downloaded by clicking the 'Download Digital ID Report' button from either the ID screen or the RTW screen.

Verifying identity using a digital ID check already obtained

This facility allows you to verify the identity using a digital ID check already obtained via your own IDSP outside of our platform. If you wish to verify the identity using this method, please select **‘Complete the ID check using a digital ID check already obtained’** (see screen shot 16 above and screen shot 22 below.)

- Please select the ID documents verified by the IDSP as part of the digital ID check undertaken.
- Ensure that you confirm from the drop-down boxes that they have verified the applicant’s address and also that they have verified a document containing their date of birth.
- Please upload a copy of the digital ID report obtained from your IDSP by clicking ‘Choose File’
- If a Cost Code or Personnel Number is required to be assigned to the specific application, this can be entered in the Cost Code / Personnel Number field.
- Now click **‘Save’** and then click the **‘Return to Application’** icon in the green box located at the top of the screen. Now you are ready to complete Section Y of the form (this is the equivalent to Section X on the new lilac paper DBS application forms).
- Once the ID Check has been saved, if you realise that it has been completed incorrectly or through the wrong route, you can reset the ID Check section and complete it again if required. Please note, you will only be able to do this if you have been assigned the appropriate user privilege to do so. To do this, go back into the ID Check screen and click the **‘Reset ID Check’** button found at the bottom of the screen.

What you must do as part of the ID Checking process

When verifying identity manually, the applicant must provide a range of ID documents as part of the DBS check application process. As an employer you must:

- follow the ID checking process routes as outlined
- check and validate the information provided by the applicant on the application form
- establish the true identity of the applicant through the examination of a range of documents as set out in this guidance
- make sure the applicant provides details of all names by which they have been known
- make sure the applicant provides details of all addresses where they have lived in the last five years
- check that the online application is fully completed and the information it contains is accurate.
- you must only accept valid, current and original documentation
- you must not accept photocopies
- you must not accept documentation printed from the internet e.g. internet bank statements
- identity information for the applicant's name, date of birth and address recorded on the online application form must be validated
- you should in the first instance, seek documents with photographic identity (e.g. passport, new style driving licence, etc.) and for this to be compared against the applicant's likeness
- all documents must be in the applicant's current name
- one document must confirm the applicant's date of birth
- you must ensure that the applicant declares all previous name changes and provides documentary proof to support the change of name. If the applicant is unable to provide proof to support the change of name, you should hold a probing discussion with the applicant about the reasons why before considering validating their identity
- you must see at least one document to confirm the applicant's current address, in accordance with the guidance
- a document from each of the groups should be included only once in the document count e.g. don't accept two bank statements as two of the required documents, if they are from the same bank
- you should not accept the foreign equivalent of an identity document if that document is listed as '(UK)' on the list of valid identity documents

For DBS basic applications, eBulkPlus will automatically ascertain the route that should (or must) be taken based on the nationality and country of birth stated by an applicant within their application form. If an applicant does not hold sufficient ID to be able to go through Route 1, you will then be required to click the 'Unable to verify ID via Route 1 – proceed to Route 2' button at the bottom of the screen.

- Please select the ID the applicant has provided for you from the drop-down boxes. Guidance notes can be found on the right-hand side of the screen and are in accordance with the DBS or Disclosure Scotland Code of Practice. Please ensure at all times that you follow the ID checking rules e.g. do not accept a utility bill if it is more than 3 months old or do not accept an out of date passport.
- Ensure that you confirm from the drop-down boxes that you have verified a document showing the applicant's address and also that you have verified their date of birth.
- If a Cost Code or Personnel Number is required to be assigned to the specific application, this can be entered in the Cost Code / Personnel Number field.
- Now click 'Save' and then click the 'Return to Application' icon in the green box located at the top of the screen.
- Once the ID Check has been saved, if you realise that it has been completed incorrectly or through the wrong route, you can reset the ID Check section and complete it again if required. Please note, you will only be able to do this if you have been assigned the appropriate user privilege to do so. To do this, go back into the ID Check screen and click the 'Reset ID Check' button found at the bottom of the screen.

Please note, that if an applicant cannot verify their identity via the routes available on screen, they will not be able to process their application through eBulk. If the identity cannot be satisfactorily verified, a basic application cannot be processed.

A full list of acceptable ID for both the DBS and Disclosure Scotland can be found at the end of this guide

- Finally scroll to the top of the screen to the green box and click 'Approve'.

- Please ensure you click on 'Approve' – failure to do so will result in the form not being submitted for Countersignatory Authorisation.
- You have now completed this section; you will have no further action to take. The form will automatically transfer to us to be countersigned, ready for onwards transmission to the DBS or Disclosure Scotland.
- *** If an application does require further clarification from us prior to submission, a query will be flagged on the application and we will contact you for clarification. During this time, a copy of the application record move into the 'Queried Applications' folder on the Dashboard (see Screen Shot 5) ***
- Once a form has been countersigned by us, the application will be moved to the 'Transfer' section. Applications at this stage are awaiting collection by the DBS or Disclosure Scotland. Once they have collected them, they will move into the processing stage – please see below for further details.

NB. An application form can be withdrawn at any time up to and including Countersignatory stage. Once a form has been electronically transferred, we cannot withdraw it without incurring the DBS or Disclosure Scotland charge. If you wish to withdraw an application at Countersignatory stage, please contact us immediately, to enable the process to be halted

How to submit Media Check requests

Step 1 – On the Dashboard page (see screen shot 5 above), in the top box entitled **Pre-Submission**, click on **‘Awaiting Media Check Request’**. Please note that you will be able to see the total number of application forms you have awaiting the media check to be requested.

Step 3 – Overview, you will now see three tabs of the applicant’s completed form (see screen shots 27 & 28 below).

Screen Shot 27

Screen Shot 28

Step 4 – Application, to view the application details entered by the applicant, click on the ‘**Application**’ tab. Here you can see the entire application submitted by the applicant, this can be used to ensure the correct information has been entered prior to the media check being processed (see screen shot 28).

Step 5 – Submitting the media check request:

Once you are happy with the data supplied by the candidate for their media check, you can submit the media check request by clicking the ‘Submit Request’ button within the Media Check section of the Overview tab (see screenshot 29 below). **Please note – until the ‘Submit Request’ button has been pressed, the media check will not be processed and a result for this media check will not be returned.**

Screen Shot 29

Once the ‘Submit Request’ button has been pressed, you will receive on-screen confirmation that the Media Check has been successfully submitted and is now in progress (see screenshot 30 below).

Screen Shot 33

Step 2 - Viewing a Certificate result with content – see screen shot 34.

- To view the information of a certificate e.g. certificate issue date, reference number and result status, click on the applicant's reference number (see screen shot 34). This information will stay in the **'Completed'** folder for 180 days from the issue date of the certificate.
- Certificate results with content will state **"Please wait to view applicant certificate"** in the Status column – This means the certificate contains information and you will have to view the applicant's certificate to see this information.

Screen Shot 34

Step 3 – Indicating sight of the applicant’s certificate – see screen shot 35.

To help an organisation keep track of which applicants have brought their certificate in and been viewed by the organisation, the system is able to record the date the applicant’s certificate has been seen by their organisation or whether sight is not required. As an Applicant Manager, you can add this date on to an application to indicate that their certificate has been sighted.

To add the date or to view whether a date has been added, click on the reference number of the application from the ‘Completed’ folder (see screen shot 34 above). Once in the application, the date can be added in the ‘Applicant’s Certificate’ section at the top of the screen (see screen shot 35 below).

Screen Shot 35

Step 4 – Uploading a scanned copy of the applicant’s certificate – see screen shot 36.

As an Applicant Manager, you may have been granted permission to upload and/or view uploaded certificates attached to results with content. If you have been granted the upload privilege, you are able to upload a scanned copy of the applicant’s certificate to their application as long as you obtain their consent. If you wish to use this facility, you will need to mark the ‘Written consent has been obtained from the applicant?’ box, once ticked you will have facility to select the required file to upload.

Once a file has been uploaded, you will be able to view this as many times as you wish by clicking the ‘Download Certificate’ button until the application is archived after 180 days (see screen shot 36 below). If you have been granted the appropriate privilege, you may also have the ability to remove the uploaded certificate by clicking the ‘Remove Certificate’ button. Please note a sample ‘Applicant Consent Form’ can be downloaded from the footer of eBulkPlus to use to obtain applicant’s consent.

Clear DBS results

Step 1 - Notification – refer back to screen shot 33 above.

- The DBS will send notification online once an application has been completed. To view a result please return to the Dashboard and click on **'Completed'** in the Submitted section.

Step 2 - Viewing a clear certificate result– see screen shot 37.

- To view the information of a certificate e.g. certificate issue date, reference number and result status, click on the applicant's reference number (see screen shot 37). This information will stay in the **'Completed'** folder for 180 days from the issue date of the certificate.
- Clear certificate results will state **"Certificate contains no information"** in the status column – This means the certificate contains no criminal convictions, cautions, warnings or reprimands.

Step 3 - Viewing a Result Snapshot for clear applications – see screen shots 37 & 38.

- As an Applicant Manager you can click on the **'Certificate contains no information'** wording in the status column to view a Result Snapshot for this application (see screen shot 38 below).

Please note that the Result Snapshot is for information purposes only, it does not represent a DBS certificate or act as a DBS certificate alternative. The information contained within the snapshot is not to be viewed by or passed to any individual who does not have the appropriate authority to view it.

The screenshot shows a web interface for 'matrix SECURITY WATCHDOG'. The navigation menu includes DASHBOARD, APPLICATIONS, RESULTS (selected), EBULK ADMIN, RB ADMIN, and REPORTS. The main heading is 'Result Snapshot Results >'. Below this is a 'DOWNLOAD RESULT SNAPSHOT' button. The main content area is titled 'Result Snapshot' with a 'View Application' link. It is divided into three sections: 'Certificate Details', 'Applicant Personal Details', and 'Employment Details'. The 'Certificate Details' section shows: LEVEL OF CHECK: Enhanced; CERTIFICATE NO: 00000000693; ISSUE DATE: 14/08/2020; CERTIFICATE RESULT: Certificate contains no information. The 'Applicant Personal Details' section shows: SURNAME: ROUTE THREE; FORENAME(S): COUNTERSIGNED; OTHER NAMES: PREVIOUSURNAME, Surname from 1995 to 2000; PREVIOUSFORENAME, Forename from 1965 to 2000; SURNAME AT BIRTH: PREVIOUSURNAME; DATE OF BIRTH: 02/10/1985; PLACE OF BIRTH: UK TOWN; GENDER: Male; CURRENT ADDRESS: FLAT 1, UK STREET, UK TOWN, UK COUNTY, AA60 GAA, GB. The 'Employment Details' section shows: POSITION APPLIED FOR: POSITION - CHILD WORKFORCE; NAME OF EMPLOYER: INVOICE CLIENT 1. Below these are three boxes for DBS records: 'Police Records of Convictions, Cautions, Reprimands and Final Warnings' (none recorded), 'DBS Children Barred List Information' (none recorded), and 'DBS Adults Barred List Information' (not requested). A 'Disclaimer' section at the bottom states that the snapshot is for information purposes only and is not a DBS certificate. A 'BACK' button is at the bottom left.

Screen Shot 38

As the Registered Body/Employer does not receive a copy of a completed DBS certificate, we advise that you have sight of the applicant's certificate regardless of the status outcome on eBulkPlus; however, this is for your organisation to decide based on your own internal policies. For completed applications with a result status of *"Please wait to view applicant's certificate"* you must view the applicant's certificate before making a recruitment decision.

Completed Results – Basic Disclosure Scotland

Notification and Viewing Disclosure Certificate Meta Data

Step 1 – Notification

- Security Watchdog will send you an email notification when an application form has been completed and a Disclosure Certificate has been completed. To view all disclosures that have been sent to you within the last 90 days, click on '**Completed**' found on the Dashboard (see screen shot 33).

Step 2 – Viewing Disclosure Certificate Meta Data

- To view the disclosure Meta Data, for example disclosure issue date, reference number and disclosure status, click on the applicant's reference number (see screen shots 39 & 40). This disclosure result will be retained on the system for 90 days, the rest of the metadata will be retained on the system, even after the disclosure has been archived until it has been purged or deleted.

Results with content:

Step 1 – Security Watchdog receives Disclosure Certificate with content

- Security Watchdog will update the 'Disclosure Sent On' date on the online system.
- The Disclosure Certificate will then be sent to you, the Applicant Manager, by post.

Step 2 – Applicant Manager receives Disclosure Certificate with content

- Please ensure that you follow the Disclosure Scotland Code of Practice – secure storage, handling, use, retention and disposal of disclosure information.

Results with no content:

Step 1 - Security Watchdog receives Disclosure Certificate with no content

- The Disclosure Certificate will not be sent to you, the Applicant Manager, by post. This will be securely shredded at our office by our document destruction contractors, Shred-It. Shred-It document destruction services were developed specifically to deal with the privacy and confidentiality requirements of the individuals and organisations. All documents are destroyed following Shred-It's secure shredding process and we receive a Certificate of Destruction from Shred-It on every site visit.

Step 2 – Applicant Manager

- Applicant Manager can view Disclosure Certificate Meta Data from the Dashboard '**Completed**' (see screen shots 33, 39 & 40).

Find an Application

Step 1 - Finding an individual application – see screen shots 45 & 46.

- To find an individual application pre or post processing or that has been archived, select from the Dashboard the Applications tab and then click on 'Find Application'.

Screen Shot 45

- The following box will appear for you to enter as much of the applicant’s details as you have available. E.g. if you only enter the surname without date of birth or DBS reference, it will bring up a list of every applicant with that surname. However, if you enter their date of birth as well, then this will define the search results accordingly. If you tick the 'Search Archived' button, this will display applications that have been archived from the system.

Screen Shot 46

Reports

Step 1 - Running a report – see screen shot 47.

- To run a report, you need to return to the Dashboard and select the tab 'Reports' and then select the report you wish to run. There are currently a number of standard reports that you can choose from, however it is also possible to run a customised report **(please note that as you only process Standard/Enhanced DBS checks, you can ignore the right-hand section of the reports screen containing Basic Disclosure report information).**

Screen Shot 47

Stage 2 – Invoice Report – see screen shot 47 above.

This report can be used to produce an electronic version of the invoice you will receive from us or for you to calculate the company budget required in relation to DBS costs. This can be filtered by a specific division or can be run on all divisions within your organisation. The report captures applicant and organisation data with the addition of;

- Basic, Standard or Enhanced Fee
- Cost Code
- Organisation Postcode
- Admin Fee (referred to as Base Fee on the system)
- VAT
- Total application price

Stage 3 - Customised Reports and selecting field headings – see screen shot 48.

- To run a customised report, you can select the field headings and date criteria that you wish the report to contain. For example, this is an ideal opportunity to run a report when carrying out re-checks on your staff or for capturing cost codes for invoicing purposes. All reports can be printed or saved into an Excel spreadsheet (.CSV file) or PDF document.
